

MAEIA Institute 2020

Administrator/Arts Educator Pairs (\$500 value)
Complimentary registration for up to 25 participants

The Michigan Arts Education Instruction and Assessment project offers the MAEIA Institute, a concise professional learning offering which trains administrators-arts educator pairs how to support and measure growth in the arts disciplines.

For the administrator, the MAEIA Institute provides:

- insight on what best practices look like in assessing Dance, Music, Theatre, and Visual Arts
- how to connect MAEIA resources with observation and teaching frameworks
- things to consider when hiring and supporting arts educators in educator evaluation

Administrators: Choose one of these SCECH options:	18 SCECH	8 SCECH
*summer virtual experience is flexible to accommodate for summer travel	6-week summer virtual experience starting the week of June 22, 2020 and ending with a meeting with your participating arts educator(s) from your district.	1-week virtual experience and meeting with participating arts educator(s) from your district.

For the arts educator, the MAEIA Institute guides teachers in:

- using the MAEIA resources in their Individual Development Plan
- creating an assessment plan by selecting from 360 MAEIA performance assessments in Dance, Music, Theatre and Visual Arts
- assessment literacy
- how to communicate best practice in their discipline
- sharing the story of their teaching and student growth clearly and specifically

Arts Educators: Enroll	18 SCECH
*summer virtual experience is flexible to accommodate for summer travel	6-week summer virtual experience starting the week of June 22, 2020 and ending with a meeting with your participating administrator from your district (if applicable)
